Inspector Helen Hockenhull BA (Hons) B.PI MRTPI

Dear Ms Hockenhull

**Examination of the Remitted Part of the Salt Cross Village Area Action Plan (AAP)**

I write in relation to the above and further to my previous letter of 8 May 2024.

As you are aware, Officers are currently in the process of preparing proposed Main Modifications to AAP Policy 2 – Net Zero Carbon Development along with associated minor Additional Modifications and supporting technical evidence.

We had hoped to be in a position to submit this to you no later than the end of September but that has not been achievable for a number of reasons and our current intention is to now submit it no later than 18 October 2024 or sooner, if possible.

I recognise that this is likely to have an impact on the examination and apologise for any inconvenience this may cause.

I will look to further liaise with the Programme Officer so that a detailed timetable for taking the examination through to the hearing session/s can be agreed with yourself.

In the interim, if you have any questions or require any further clarification regarding the points outlined above, please let me know.

Yours sincerely

A handwritten signature in black ink that reads "Hargraves".
